Entry requirements

Specific qualification requirements

Qualification requirements in accordance with §33, paragraph 7 of the Bremen Higher Education Act. Please note that there are **admission requirements** for some courses of study, some of which have to be fulfilled before enrolment, and some of which **only** have to be fulfilled during the course of study. Make sure that you meet the requirements of the degree programme you wish to study. For more information, please visit the homepage of the relevant **degree programme**.

Login after enrolment

Your applicant account will be deactivated **90 days after you are enrolled**. As part of your enrollment, a user account will be created for you at Hochschule Bremen. You will find the activation data on the Lepo (letter with your study documents) next to your student card. Here you may find more information about the activation process:

<https://www.hs-bremen.de/activate>

After activation you can login here with your **new study account**.

Your application for a hochschulstart-degree programme

All Bachelor's degree programmes for beginners (exception of the dual degree programmes) are awarded centrally by the Foundation for Admission to Higher Education.

You will need **two accounts** for the application:

- Register with **hochschulstart.de** first
- If you are **not yet registered** in the City University of Applied Sciences Bremen portal - "CampInO":
 - Enter the "CampInO" and register with your BID and BAN.
 - Click "Transfer Data" (your personal data will be transferred from *hochschulstart.de*).
 - Complete your registration.
 - Start the **online application**.
- If you are **already registered** on the "CampInO":
 - Start the **online application**.
 - Create an application for the requested degree programme
 - When submitting the application, you will be automatically asked for your **BID and BAN**.
 - After entering your BID and BAN, your application is synchronised with *hochschulstart.de*.

i Please read all instructions carefully before you register! --- Multiple registrations will be deleted ---

If you are already registered at the CampInO applicant portal of Hochschule Bremen for the **wintersemester 2022/23** application period, please quit the online registration and log in with your access data (on the top right).

You have already registered with **Hochschulstart.de**? The access data for Hochschulstart.de can **NOT** be used in this portal. Registration for both portals is required.

Forgotten your password? Please use the "reset password" function.

Forgotten your user name? You will find your user name in the welcome email you received after registration.

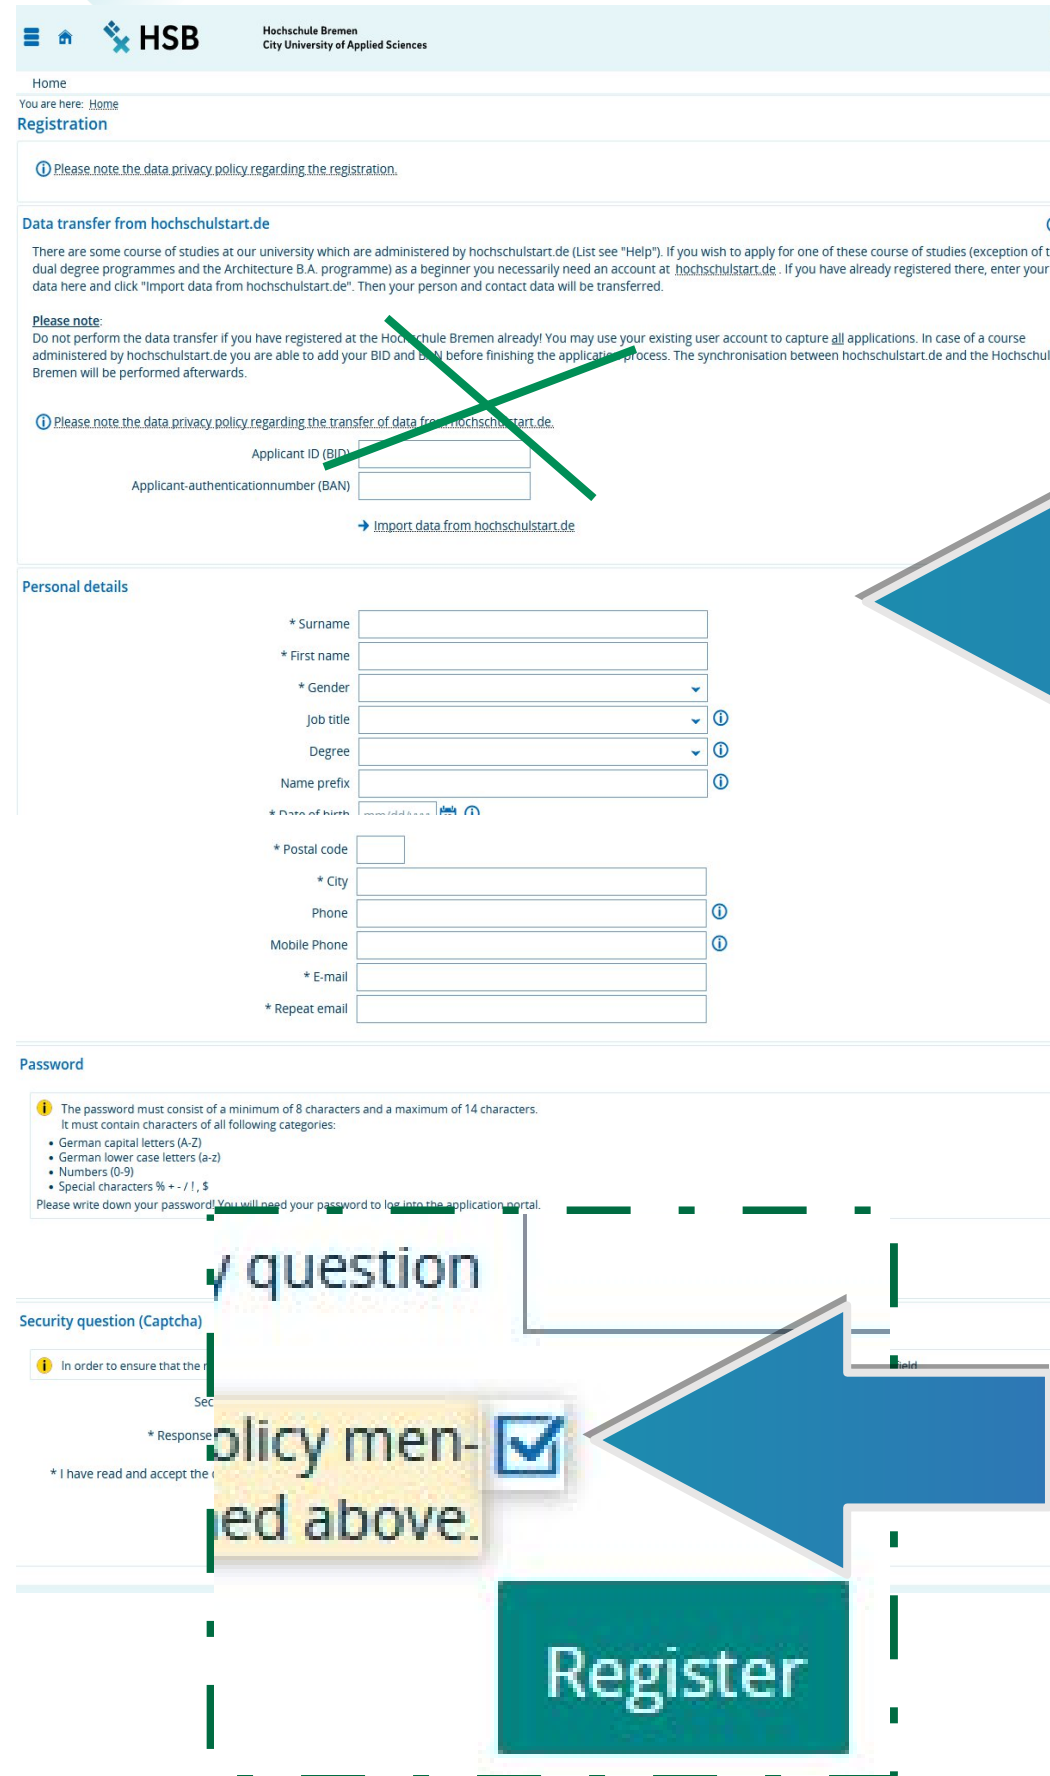

You did not receive the welcome email after the completion of registration? Please check your spam folder or contact CampInO-Service@hs-bremen.de.

Do not register multiple times! Multiple registrations will inevitably lead to problems with the allocation procedure. Therefore, multiple registrations will be deleted and the applications will not participate in the allocation procedure. A registration with a BID and BAN always takes priority. In the event of multiple registrations, you will receive a message informing you about the valid account.

Do you want to continue with the online registration?

Data transfer from hochschulstart.de

There are some course of studies at our university which are administered by hochschulstart.de (List see "Help"). If you wish to apply for one of these course of studies (exception of the dual degree programmes and the Architecture B.A. programme) as a beginner you necessarily need an account at hochschulstart.de. If you have already registered there, enter your data here and click "Import data from hochschulstart.de". Then your person and contact data will be transferred.

Please note:
Do not perform the data transfer if you have registered at the Hochschule Bremen already! You may use your existing user account to capture all applications. In case of a course administered by hochschulstart.de you are able to add your BID and BAN before finishing the application process. The synchronisation between hochschulstart.de and the Hochschule Bremen will be performed afterwards.

Please note the data privacy policy regarding the transfer of data from hochschulstart.de.

Your application status ▲

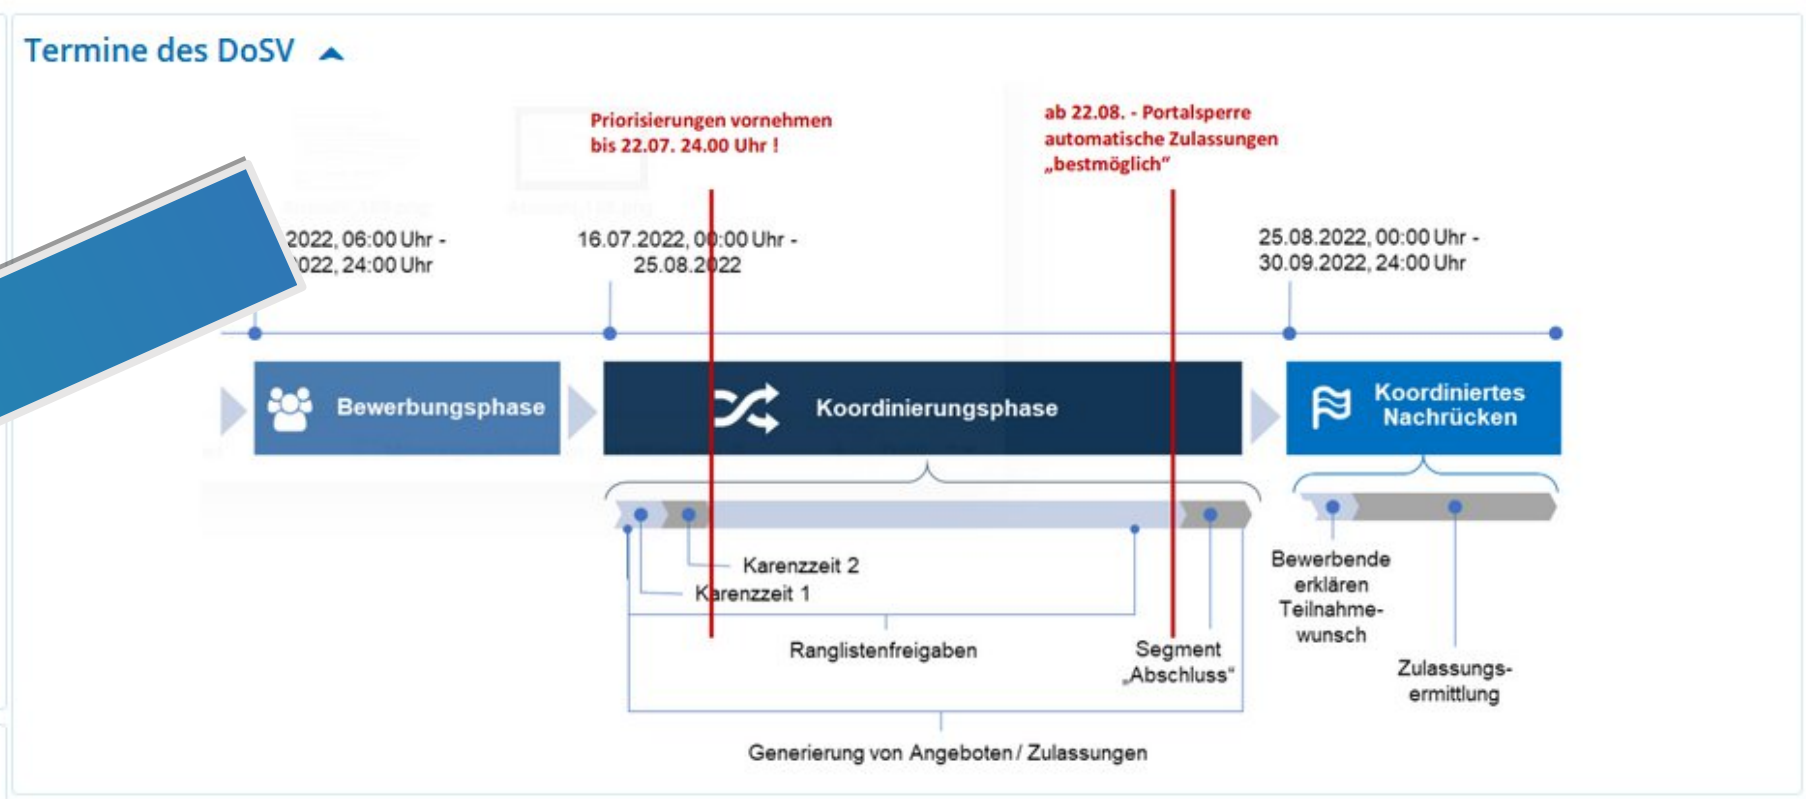

Dear applicant,

you can now enter the information required for your application step by step on the following pages. Check your position on the left hand side.

The application starts with information regarding your requested degree programme and ends with the completion of your application.

You can edit and submit your application for winter semester from 1st June until 15th July .
~~You can edit and submit your application for summer semester from 15th December until 15th January.~~

Start Application
 You can apply for several programmes at this university.

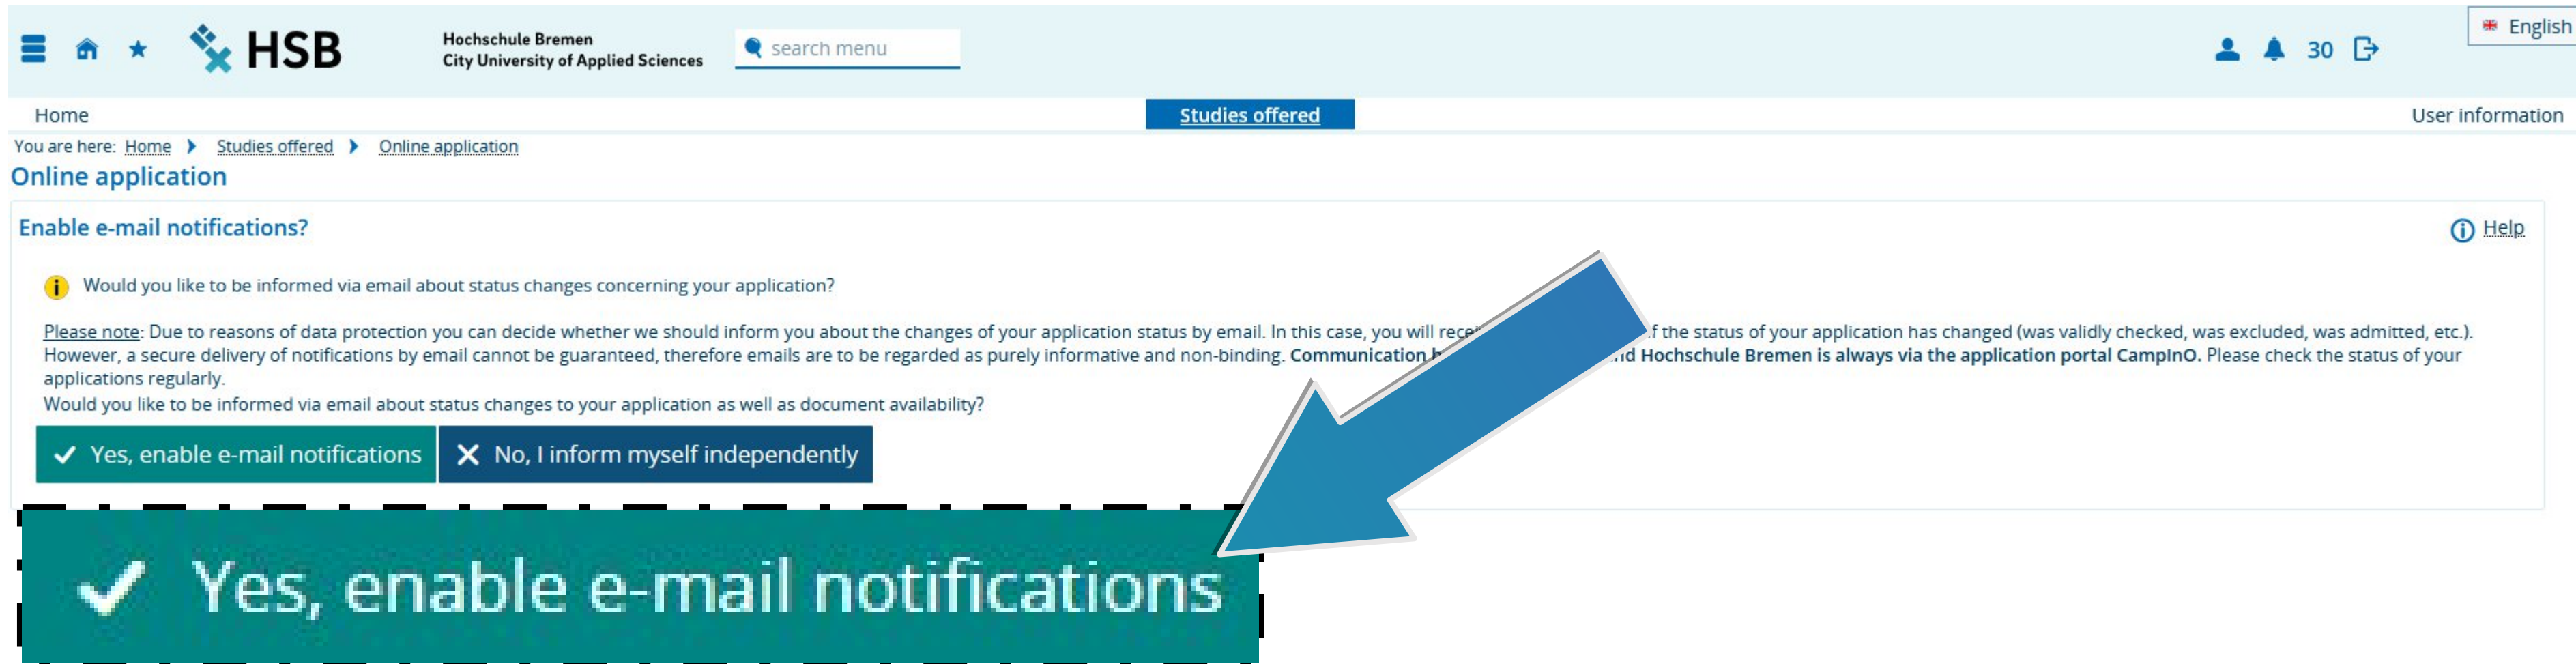

- Declaration on your application status** ▲
- Your application status may be:**
- received (application was submitted online)
 - in preparation (application has not been submitted online yet)
 - cancelled
 - valid (status was modified for admission run; application participates in admission procedure)
 - Admission offer is available (applicant is approved - has not accepted so far)
 - Admission offer currently not possible (applicant is not admitted according to the main procedure)
 - admitted (applicant is admitted and has accepted study place)
 - enrolment applied (applicant is admitted, has accepted study place and has carried out the online enrolment)
 - deadline exceeded (you did not answer within acceptance deadline; study place assigned to another person)
 - declined (application was declined after ending the coordination period at "hochsulstart.de")

Due to technical reasons there was no sending of status mails for applications via the student portal at the beginning of the application process. This bug has been fixed. Students applying in CampInO will be asked if they want to receive status mails. The choice can be changed at the portal at any time.

Please note:
Communication between applicants and the University of Applied Sciences Bremen is always carried out via the applicant portal CampInO.
